

# 2<sup>ND</sup> EXTERNAL MONITORING VISIT

# LIFE CLINMED-FARM PROJECT

TOWARDS A MEDITERRANEAN CLIMATE NEUTRAL FARM MODEL

*TURIN, 6-7 SEPTEMBER 2023*

# AGENDA

Wednesday, 6 September 2023

---

**14:00-14:10**    **Welcome and introduction to the attendees**

**14:10-14:30**    **Overview of the project progress (financial statement) and action plan for preparing MidTerm Report**

**14:30-17:30**    **Individual financial meetings (15-30 min per partner)**

1. UNITO
2. MICROPOWER
3. AGROISAB/MAZANA
4. SEGALES
5. CITA

**19:30**        **Dinner**

# AGENDA

Thursday, 7 September 2023

---

## Transfer and welcome

**9:00-9:10** Introduction to the attendees

**9:10-10:20** Current progress of project actions (I)

9:10-9:50

UNITO + CITA

A1. Development of monitoring protocols and cross-calibration of gas emission measuring techniques

All partners

A2. Design, planification and adaptation works of the mitigation techniques in the study cases (SC)

9:50-11:00

All partners

C1. Implementation of integrated GHG mitigation techniques adapting existing facilities and traditional management practices to a model closer to climate neutrality in Mediterranean regions

MICROPOWER

C2. Innovative efficient energy systems valorising biogas potential on-site at farm premises and optimising energy

+ECOBIOGAS

balance in anaerobic digestion and biomethane upgrading systems

UNITO + CITA

C3. Gas emission monitoring (GHG -N<sub>2</sub>O, CH<sub>4</sub>- and NH<sub>3</sub>) and mitigation performance evaluation

UNITO + CITA

C4. Development of an integrated environmental monitoring system and contribution to Technical Reference Documents and policy making

All partners

C5. Transference and replication of the mitigation techniques

**11:00-11:30** Coffee break

# AGENDA

Thursday, 7 September 2023

---

## 11:30-12:30 **Current progress of project actions (II)**

11:30-11:45	CITA + UNITO	D1. LCA: scheme, scenario burdens, data collecting system and assessment
	CITA	D2. Socio-economic impact in the sector – Livestock production sector awareness
	CITA	D3. Monitoring of the Key Project level Indicators
11:45-12:05	CITA + All partners	E1. Communication and awareness rising activities to general public
	CITA + All partners	E2. Dissemination
	CITA + UNITO	E3. Networking
12:05-12:20	CITA	F1. Project management

**12:30** **Transfer to Candiolo, Turin**

**13:00-14:00** **Lunch**

**14:30-18:00** **Visit to the Case Study in Piedmont**

**Transfer and farewell**
